Hi Nancy, as I mentioned here's my updated slide deck for the call next Tuesday. I added a few more slide on the standards and impacts, hoping this would be useful information to your members.

Have a great weekend, and look forward to talking next week.

Best,  
Robin

Hi Nancy, is ok if I expand my slide deck a bit? Now that I have more time, I'm anticipating some of the questions, and wanted to add a couple more slides on the standards and impacts. I would have it to you by tomorrow if that's ok?

Thanks,  
Robin

**RESCHEDULED NACAA Call #1 on the Final "SAFE" Vehicles Rule – Tuesday, May 5, 2:30-4:00 PM Eastern**

Due to the technical difficulties that disrupted last week's NACAA Call #1 on the final "SAFE" Vehicles Rule, which included EPA speakers, we have rescheduled that call.

The rescheduled call will take place next week, on Tuesday, May 5, from 2:30 to 4:00 PM Eastern. The call-in number and access code are **Ex. 6 Personal Privacy (PP)**.

The agenda for the call is available at [http://4cleanair.org/sites/default/files/Documents/NACAA-SAFE\\_Rule\\_RESCHEDULED\\_Call1-Agenda-050520.pdf](http://4cleanair.org/sites/default/files/Documents/NACAA-SAFE_Rule_RESCHEDULED_Call1-Agenda-050520.pdf).

Robin Moran's (EPA OTAQ) slides are available at [http://www.4cleanair.org/sites/default/files/Documents/SAFE\\_final\\_rule\\_for\\_NACAA\\_on\\_April\\_22\\_2020\\_final.pdf](http://www.4cleanair.org/sites/default/files/Documents/SAFE_final_rule_for_NACAA_on_April_22_2020_final.pdf) (these are the same as the slides distributed for the first attempt at this call).

The agenda and slides are also posted on the Air Web Calendar.

Please join us.
